Terms and conditions

Validly activated gift cards are redeemable in full or part payment for merchandise (excluding vending machine sales) in participating PRIMARK® stores where gift card services are available. Gift cards purchased in the UK can only be redeemed in PRIMARK® stores in the UK (excluding any Primark® concessions, including those in Selfridges stores).

The minimum amount to activate this card is £5 and the maximum credit amount is £200.

This card cannot be exchanged for cash or vouchers. No change will be given but any remaining balance may be applied to future purchases. The card balance will expire 2 years after the last card use. PRIMARK® will not be liable for lost, stolen or damaged cards. PRIMARK® reserves the right to amend these terms and conditions from time to time where it reasonably considers it necessary to do so. Reasonable notice of such changes will be displayed at stores. This does not affect your statutory rights.
